Regional quotas for Provincial Games/Championships will be based upon the number of active athletes registered in the year preceding the Provincial Games/Championships.

REGIONAL SPORT QUOTAS:

A zero (0) in a Chapter sport allocation column is the result of:

- No athletes registered in the sport; and/or,
- The Region has not participated at the designated qualifying event; and/or
- The Region has indicated that it does not intend to fill the quota within that sport.

REGIONAL QUOTA STIPULATIONS:

There is a ceiling quota of 30% of the total number of competitive positions at the Games/Championships being allocated to one Region.

There is a minimum of one athlete quota per sport, per Region, providing the Region has athletes registered in that sport and athletes competed at a qualifying event.

REALLOCATION OF TEAM AND INDIVIDUAL SPORT QUOTAS:

Reallocation will be done on a first come first served basis.
