The average classification for selecting teams to competition at the Provincial level will be the following:

1) 99 & under
2) 100 – 109
3) 110 – 119
4) 120 – 129
5) 130 & over

Provincial Games

If a Region/Club were unable to fill a specific category each team would be allowed one move up; e.g. group 2 could move to group 3, or move up from the adjacent category.

National Games

Selection will be based on the top scoring athletes (pins over average) in each of the ability categories. If the quota is one team it will be a mixed team, if two teams one male and one female team will go. Subsequent quotas will consist of a male, a female and mixed team necessary to fill the quota.
