

Athlete Profile

Kathy Easton

Kathy has been involved in Special Olympics since 1996 in many different sports. Some of the programs that Kathy participates in are the St. James Sabres Athletic program, Stingrays Swim program and the Coronation High Strikers 5 Pin bowling. Her favorite sport right now is 5 Pin bowling where she enjoys winning a lot of medals. One of the things Kathy likes best about Special Olympics Manitoba is the opportunity to get involved in so many different sports.

In Kathy's free time she enjoys gardening, knitting and volunteering for the Blue Bombers.

This past Provincial Conference in April was Kathy's first taste of the Athlete Speaker's Bureau and she did an amazing job. She will be trying her hand at the Athlete Mentorship program this July and August at our summer camps. Good Luck and have Fun Kathy!
