Scholarship Application 2005/2006

The Manitoba Foundation for Sports scholarship program administered by Sport Manitoba was established to support young athletes of Sport Manitoba partners, who continue to participate in amateur sport while pursuing a post secondary education on a full time basis.

The program's emphasis is placed on athletes who have competed at the provincial level or higher during 2004, and who have maintained a high level of academic standing, while showing a commitment to amateur sport through their involvement in coaching, officiating and volunteer activities. The number of scholarships awarded annually will vary, based on the number of applicants and the funds available for distribution. Preference will be given to athletes attending university or college in Manitoba and enrolled in a related field, pursuing a career in sport (i.e. leadership, coaching, medical).

Scholarships for 2005/2006 are valued at \$500 for students entering the first year of a post secondary program, and \$1,000 for students entering the second or subsequent year of a post secondary program.

Eligibility Criteria:

- a) Applicants must have participated in amateur sport in 2004 as a member of one of Sport Manitoba's recognized sport partners.
- b) Have not received this scholarship more than three times previously.
- c) Be attending university or college as a full time student for the 2005/2006 regular academic sessions.
- d) Have been a resident of Manitoba since April 1, 2004.
