

SNOWSHOE VIRTUAL COMPETITION

Why Virtual Competition?

Athletes compete at their own school and then submit the results to be posted on line. This competition venue will give athletes another opportunity to match their skills against other students across the province without the expense of travel. Ideally it will compliment the athlete's competitive experience not replace face-to-face competition.

How can I get my students involved?

1. Complete the enclosed registration form or download one at specialolympics.mb.ca Special Olympics Manitoba no later than Friday, January 16, 2009.
2. Over the competition period (January 19 – February 6, 2009) record your athletes' times on the time sheet provided. Each athlete can enter as many races as they want.
3. After the close of the competition on Friday, February 6, 2009 you will have until 4:30 pm on Monday, February 9, 2009 to submit the results. Should your athletes complete their races prior to February 6, 2009 please submit their times at this time. Please submit your athletes' results to Special Olympics Manitoba via one of the following ways:
 - i. Email to clowdon@specialolympics.mb.ca
 - ii. Fax to 925-5635
 - iii. Mail to:

Special Olympics Manitoba
Attention: Bridge the Gap Virtual Competition
