

2023-2024 Special Olympics Manitoba Draft an Athlete Program

What is Draft an Athlete?

Draft an Athlete is an investment in your community, paving the way to a world where everyone is included. It's about building partnerships between athletes involved in Special Olympics and the communities in which they live, train, and continue to inspire.

Why Should I Partner with Special Olympics Manitoba?

Special Olympics Manitoba is part of a global movement of inclusion, and we are dedicated to enriching the lives of Manitobans with an intellectual disability through the transformative power of sport.

With 22 athletes and the help of volunteers and coaches, Special Olympics Manitoba – Parkland Region develops and delivers 4 athlete-centered programs.

Drafting an athlete is your opportunity to support a Special Olympics athlete in your community and become an integral part of their success.

Special Olympics Canada Winter Games – Calgary 2024

This year, Team Manitoba is made up of 58 talented athletes, 19 Coaches and 10 mission staff, who will represent our province in Calgary, AB at the Special Olympics Canada Winter Games from February 27- March 2, 2024.

This is a premier national event that will welcome over 1200 athletes, coaches, and mission staff from across the country to compete against one another in 8 sports, in the hopes of qualifying for Team Canada and the chance to compete at the 2025 World Winter Games in Italy.

The cost to send just one of our Provincial Team athletes to Calgary is \$2000. Our goal is to raise \$120,000 to help send Team Manitoba to this once in a lifetime experience.

How Will I Make a Difference?

- Provide an inclusive environment for Team Manitoba Athletes to live, train and compete
- Provide support for equipment, facility, transportation, and competition
- Unify your community, reveal champions, and make a positive and lasting difference

2023-2024 Special Olympics Manitoba Draft an Athlete Program
