

It was a whirlwind week in Prince Edward Island, and one that Team Toba will surely remember for years to come. Yesterday was the final day of the Championships and our athletes went out in style. In the morning at the 10-Pin medal ceremonies, Team Toba took home 5 gold, 4 silver, and 1 bronze. In the afternoon, 5-Pin took home 1 gold, 2 silver, and 2 bronze. WOW! That's a total of 15 medals for our team of 23.

After the medal ceremonies, the whole team met up in Summerside for the closing ceremonies and the athlete dance. We could see our team has great moves on, **and off**, the lanes.

Team Toba heads home this afternoon, arriving in Winnipeg at about 4:00 pm. Flight number AC 0265 if you'd like to come and greet them!

A big congratulations to ALL the athletes who bowled their best and hardest over the course of the week. Manitoba is proud of all your efforts!
